Subject: Discharge for the Board year 2020

According to the statutes we present you with the approved annual report of 2020. We ask that you confirm this report and give discharge to the Board.

We include the following documents:

- Decisions made by the Board in 2020 : Budget proposal for 2021 approved by the Board, Zutphen new location by 1th octobre 2020 on Sunday and closing Zwolle church meeting on Saturday, mainly because of corona. Thirdly: after discussion the NMT will consist of Hans de Moei (ND), Fred Smits and Frans Danenberg(advisor)
- Annual report 2020, approved by the Board

Income: donations of members (€ 28.415,00 ) were quite good, despite Covid

We strive for a balanced income, and expenses, so we spent less on compensation for national director which ended 1th May 2020. We also spend due to covid less on hall rentals, transport cost etc., our year balance gave a positive 2633,00 euro. With that we are quite blessed. Due to passing away of one older former church office employee in her nineties, the pension cost were less too in 2020.

We hope the annual report, and attached explanation are clear enough. If you would like more specific information, we are of course willing to provide it.

Warm regards,

Chairman of the Board      Mr. F.Th.J. Danenberg 

Secretary of the Board      Mr J.Meedendorp 

Signed,
